My goals for this session:

- Think about "magic."
- Identify your BIG dream
- Know how to evaluate authentic resources
- Create language function scaffolds

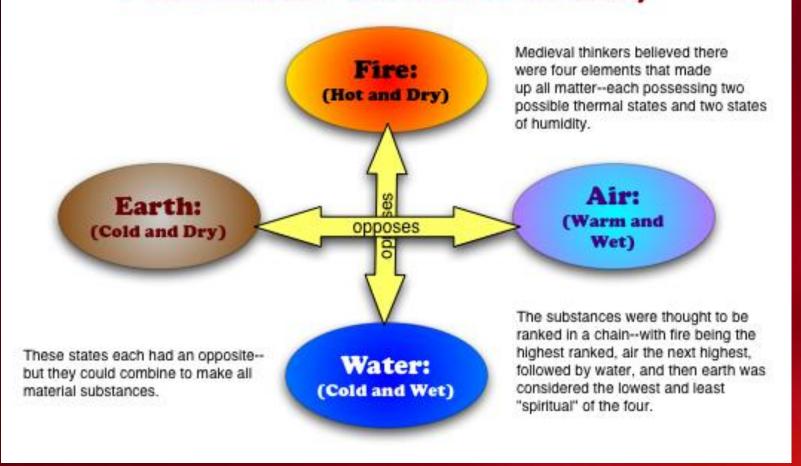

Alchemy: Al. che. my (noun)

"any seemingly magical process of transforming ordinary materials into something of true merit.

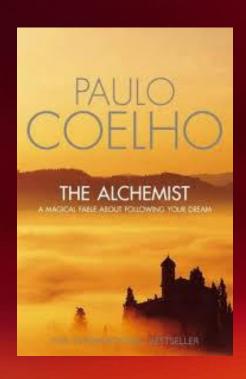

Four Elements in Medieval Alchemy

Alchemy is most often defined as a science that aimed to transform ordinary materials and metals into gold – an alchemist's workshop was an early chemistry lab.

"It's the possibility of having a dream come true that makes life interesting."

— Paulo Coelho, Alchemist

What is YOUR teacher dream?

State Seal of Biliteracy

- ✓ Communicates in words, lists, short sentences
- ✓ Uses minimal, basic vocabulary

Intermediate:

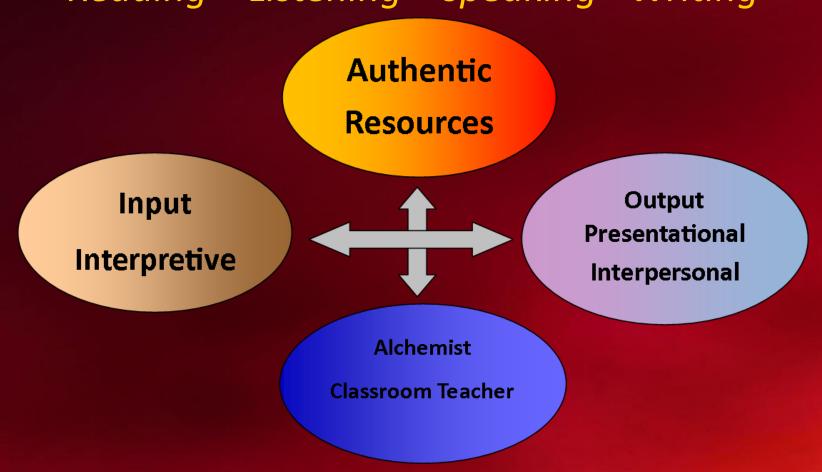

- ✓ Creates original sentences mixes and matches
- ✓ Communicates personal meaning, sentence-strings
- ✓ Vocabulary, strategies (circumlocution)
- ✓ Can describe

Advanced:

- ✓ Can use three time frames
- ✓ Communicates paragraphs, organized
- ✓ Growing breadth of vocabulary

A VERY ambitious goal: Intermediate High Reading – Listening – speaking - Writing

"It's the possibility of having a dream come true that makes life interesting."

— Paulo Coelho, Alchemist

What did my students ask me to share?

- AUGUST
- Simple stuff
- Same sentences over and over
- Only easy answers
- Didn't understand much
- Could only say things I learned
- Thought only smart people could be good at Spanish
- Only talk about now (present)
- Knew about some food and fiestas

- NOW
- Elaborate and say a lot more
- Can put words together that I learned
- Now I can say what I want to say
- Understand how different verbs send different messages
- Can understand most of what you say
- Can talk longer, like 3 or 5 minutes
- Know more about history, people, music

What did my students ask me to share?

WHY:

switch up activities - we practice everything a lot

pictures make it more interesting and easier to understand

You speak in Spanish – it was hard, but it kind of works in the end

We have to present all of the time, but you made it easy

We practice some things like describing and comparing over and over

We practice interpersonal almost everyday

We learn about real people who speak Spanish

You don't correct little mistakes when we're trying something hard

Get REALIA! "A shepherd may like to travel, but he should never forget his sheep." — <u>Paulo Coelho</u>, <u>The Alchemist</u>

Authentic Resources

- You can still travel . . .
- Look for online treasures:

2015 /Authentic Resources

AUTHENTIC RESOURCES:

"Authentic Resources" can be easily found online in a myriad of places. Digital formats allow you to manipulate, mix and combine - to hotlink, to create easy visual presentations and more. My favorite authentic resources or #authres are often images. Our students are highly visual and images can spark curiousity, a spirit of adventure, shock, laughter and more.

Choosing Authentic Resources

- 1. Multiple uses, modes, themes, structure
- 2. Limited, used in tandem with other resources (think scaffolding, puzzles)

- ✓ Why select it? Purpose?
- ✓ What will students do with it?
- ✓ What will students glean from it?
- ✓ What can maximize it?

"Give yourself freedom to try out new things Don't be so set in your ways that you can't grow."

— Paulo Coelho, The Alchemist

Choosing Authentic Resources

So, as we think about LANGUAGE FUNCTIONS in relationship to AUTHENTIC RESOURCES, how we will use a piece becomes more purposeful.

- ✓ What do to with it?
- ✓ What will complement it?
- ✓ What will build on it or take a cultural product deeper?(practices/perspectives)

What might my life be like if I lived here?

Why might families in the Andean region of South America raise guinea pigs?

My BIG Goals - Find the pieces that will . . .

- ENGAGE
- INFORM
- SUPPORT
- CONNECT
- COMPARE / CONTRAST
- AMUSE and ENTERTAIN
- CHALLENGE
- SURPRISE / SHOCK
- PROMPT more QUESTIONS
